 - (ii) certified copy of an original statement notarized by a lawyer or notary public
- (2.) Bank letter (signed, stamped and on bank headed paper) - The bank statement/bank letter should include Bank name and address, Client name and address, IBAN and SWIFT code.

Step 2 – Brokerage Account Application Documents:

Once the Submission Documents (step 1) are received/approved Client will complete the Online Application:

- Individual or Corporate Online Brokerage Account Application Web-Link (*via email from Prime Broker Dealer*)
- The above submission documents (step 1) will also need to be uploaded when applying online
- The Client will sign the LPOA to assign the “Fund Manager”

Step 3 - Trade: Once the Online Application is approved Client will complete the following steps: - The Client will be given the banking coordinates of the new broker dealer trading account to wire the funds

- Once the funds are credited in the new broker dealer trading account the trader can then start trading

Exit Strategy: As we do not require term commitments, clients can cancel without penalty at any time. Withdrawals are processed within 24 hours of receipt and typically take 3-5 business days to land at the beneficiaries account. If there are any open positions he will need to close them prior to the withdrawal being processed so this is the only thing that would delay that time frame.

Minimum Amount: Our minimum amount required for trade is €100K Euro Cash. However as Clients needs change we are also flexible to meet the needs of every Client. We can and have made exceptions for lower amounts if approved. All requests will be replied to within 24 hrs. Once approved Clients will be able to submit.

Currency Denomination: Euro

If the Clients funds are not Euro we will convert the received funds into Euro when the Client credits their new Brokerage Trading Account via wire or bank transfer at spot rate without commissions. The Brokerage Trading Account must be a Euro denominated credited account before we start trading.

Licensing: The trading strategy you will be trading under is called “**Cap Growth FX**”
